STRATEGIC PLAN
2014 - 2017

Our Trademarks

PROFESSIONAL
COLLABORATIVE
RESPECTFUL
ENGAGING
### COMMUNICATION LITERACY

**Priority**
Increase student communication and literacy aiming towards independence and participation in their community.

**Target**
A 25% improvement annually, in the school average for literacy goals as identified in the students’ Negotiated Education Plans.

### NUMERACY

**Priority**
Students improve skill development and achievement in numeracy to gain independence and participation in their community.

**Target**
A 25% improvement annually, in the school average for numeracy goals, as identified in the students’ Negotiated Education Plans.

### HEALTH AND PE

**Priority**
To develop and sustain programmes to promote optimum health and well-being for all.

**Target**
80% of student lunch boxes are 70% filled with healthy food options,
80% of the students engage in 120 mins of physical activity per week,
80% of students engage in a range of play choices during breaks.

### CURRICULUM

**Priority**
Students are in engaged in a rigorous, well balanced, documented curriculum, targeted to their needs.

**Target**
To improve students’ engagement and achievement levels by 25% in Australian Curriculum and SACE.
