Plan summary

Goals	Targets	Challenge of practice
Improvement Goal 1: To increase student achievement in writing	By the end of 2019, 60% of 2018 cohort will improve one level on the Developmental Writing Scale	We will implement a common evidence based approach to daily writing instruction in every classroom. Specifically we will use explicit teaching strategies, designing, reviewing and implementing targeted mini lessons.
	By the end of 2020, 70% of 2018 cohort will improve one level on the Developmental Writing Scale	
	By the end of 2021, 80% of 2018 cohort will improve one level on the Developmental Writing Scale	
Improvement Goal 2: Increase students' reading achievement leading with Phonemic Awareness. Focus on transitional and conventional literacy learners	By the end of 2019, 80% of transitional and conventional literacy learners as measured by the Literacy Assessment Battery will achieve a 10% improvement in phonemic awareness against their 2018 score	We will implement daily systematic phonics instruction. Specifically we will use explicit teaching strategies and intentionally designed learning tasks using 'word walls' and 'word family' instruction.
	By the end of 2020, 80% of transitional and conventional literacy learners as measured by the Literacy Assessment Battery will achieve a 10% improvement in phonemic awareness against their 2019 score	
	By the end of 2021, 80% of transitional and conventional literacy learners as measured by the Literacy Assessment Battery will achieve a 10% improvement in phonemic awareness against their 2020 score
